Please note that this songlist is subject to change. New material is constantly being added and some material is periodically dropped. The most current list and links to many of the lyrics are also available on the band's website at www.OracleBand.net.

Other "party" songs that do not appear on this list such as "The Macarena", "Booty Call" "Cha Cha Boogie", and others are typically spun by the band's DJ during the breaks. **Having a live DJ as well as the band ensures that the entertainment is continuous throughout your function.** There is no additional charge for this service.

Some songs are listed more than once if they fall into more than one general category.

If there is a song that you want for your first dance, or other "special" song such as a Father/Daughter dance, or a party "theme" song, the band will be happy to learn it for you provided we have sufficient advance notice.

You may also submit song suggestions to us through the band's website. While we may not learn ALL of the songs suggested, we do in fact learn a great many of the songs submitted to us. Simply go to the band's website and click on the "Suggest A Song" link and send us your suggestion.
